

Happy Holidays From The Organized Lifestyle Store!

We want to take this opportunity to thank you for all of your support throughout the year. 2009 was a year of growth as we moved to our new location at 725 Boston Post Road, tripled our inventory and launched our online store at theorganizedlifestylestore.com. We would not have been able to do this without you, our loyal customers. That's why we have a few gifts for you this holiday season! Below are the three ways we are giving back to you this Season.

1. MAKING GIFT GIVING SIMPLE

We have organized the gift giving process for you in this handy resource guide. Everyone needs a little organization in their lives. Use this guide for practical gift ideas for everyone in the family. Holiday budget planning and gift giving spreadsheets are also available on our website theorganizedlifestylestore.com.

2. GIFTS FOR YOU EVERYTIME YOU PURCHASE

Throughout the entire month of December you will get to choose a free gift for yourself every time you purchase. Three lucky people will receive a free hour in-home assessment with one of our Professional Organizers. Which gift will you choose when you reach into Santa's bag?

3. CUSTOMER APPRECIATION NIGHT SECRET SALE

To help you save even more this Holiday Season, we are opening our doors until 8 pm on Thursday, December 17th! Come check out our surprise mark-downs as well as wine and appetizers with our staff.
